SGR Agreement
SGR Proposal

Executive Summary:

The City received three proposals from Executive Search Firms in February of 2016. After reviewing all three proposals Council selected Strategic Government Resources (SGR) to assist the City in selecting a new City Manager, with services to begin in September 2016.

The "Not-to-Exceed" Maximum Price for the services is $25,000, which includes $18,500 for professional services and $6,500 for expenses incurred by SGR. The price does not include travel expenses for interview finalists. The company bills the City in three equal installments. The initial installment is billed after the Organizational Inquiry and Analysis is complete. The second installment is billed when the semifinalists are selected and the third installment is billed at the conclusion of the search.

It is anticipated that the City will pay the first installment ($8,333) during the current 2015-2016 Fiscal Year, which has $20,000 budgeted for this service. An additional $20,000 will be included in the 2016-2017 FY budget to pay the final two installments ($16,667) and pay for travel related costs for the interview finalists ($3,333).

Recommendation:
Approval of the Agreement with SGR, Inc.

Executive Summary:
The budget developed during the budget workshops is based on a tax rate of 70.7598 cents per $100 values. This tax rate is 0.01 cents lower than the current tax rate of 0.717598 cents per $100 value. While this is a decrease in the tax rate, it will still result in an increase in tax revenues due to higher appraised values and new taxable values.

Recommendation:
To propose a tax rate of $0.707598 the following motion must be made:

"Motion to propose a tax rate of $.707598 per $100 value, which is a tax increase of 6.06% above the Effective Tax Rate, to be adopted at a future meeting".

ACTION ON THIS AGENDA ITEM WILL REQUIRE A ROLL CALL VOTE.
