Economic Development and Tourism
June 2016

The big news this month is that Angleton Seafood finally opened! Chicken Express and Tractor Supply are both coming along nicely and look to be well on their way to opening in the next couple of months.

I have talked with the 288 Industrial Park people and they are about to start building their first building as a spec building. They also have an interested party in what potentially could be the 2nd building. They have finally gained some momentum and I expect to see more buildings to follow in the next few months.

I am currently working on an extensive list for the person who replaces me from both the ACM and ED perspective. I am hopeful that I can leave good notes and files and whoever you choose, can always call/email me with any questions.

Freedom Fireworks - After finding out that there would still be displaced families at the Fairgrounds in the proposed shoot zone we recalculated and were able to shut down CR 428 providing a safe shoot and Families in R.V's with a front row seat for the show. We had great crowds and cooperation from APD for traffic control. We invited vendors to provide sno cones, kettle corn, drinks and ice cream for the crowd and I've heard that several did very well in just the two hours of operation. It was a great night.

2016 Freedom Fireworks Sponsors - H.E.B, HDR, Waste Connections, MSR, Felder Water Well, NewWave, Perdue Brandon Fielder Collins Mott/Steven and Rau, Sonic, JACO Construction, Cedna Engineering, North Water District Laboratories and BASF

November Market Days - November 19/20. Outdoor uncovered are the only spaces available and vendors continue to ask to be put on a waiting list for indoor and covered space. Currently we have over 200 vendors spaces reserved.

Future

Neighborhood Beautification – KAB was denied the Lowes' grant. Ideas for projects created for the Lowes' grant have been put on hold.

Waste in Place Teacher Training – KAB is still in the process of working with KTB on selecting a date to hold the training. All KTB representatives have been busy planning the conference and their offices closed after the conference.

Past

Keep Texas Beautiful (KTB) Conference – KAB staff was in attendance at the KTB Conference, June 20-22 in Sugar Land, Texas. Staff attended the conference sessions Monday through Wednesday. The display was setup Monday morning. Attended a session on education presented by Keep America beautiful (KAmB) where we received the new Sneak Peek book for Waste in Place. Ideas from this session: create a Youth Advisory Board where students take ownership and start and complete a project. Buttons can be made for high school and junior high to promote environmental awareness. They can wear them on their lanyard and backpacks. Host a teacher and principal appreciation. Staff became more familiar with the resources for education on the new KAmB website. Attended the luncheon where a speaker presented on embracing change. Attended session on Learn, Grow, Eat & Go presented by KAmB presenters and the Brazoria County AgriLife Extension. Ideas from this session: this curriculum meets STAR and TEKS standards. Use your master gardeners and junior master gardeners. Find a focus for a project. The AgriLife extension worked with Keep Alvin Beautiful and the Alvin Independent School District to create a garden/green space at an Alvin school. The curriculum has been tested and they see an increase in childhood and family vegetable and fruit consumption.
On Tuesday staff attended a session on community partnerships and the GCAA dinner and reception. Missouri City Green spoke about how to build and maintain partnerships. They do environmental education throughout the community, Edible Earth Fest, DMWT Trash Off and Youth in Philanthropy Student Corp. Board members and Angleton representatives attended the GCAA dinner. Below are pictures of the Angleton representatives in front of the Angleton display and all the KTB affiliates of Brazoria County.

Wednesday staff attended the KTB Affiliate recognition breakfast where I took a picture with our Silver Star award and a KTB representative. Staff also attended a session on determining your affiliate's worth. The presenter did an evaluation for Keep Texas Beautiful's ROI. He spoke about the difference in volunteer value and how to determine our value. Volunteers have an average value of $24.33/hour. The evaluating company found that there is a $51.56-$123.47 value per $1 funded by TxDOT. This session had a lot of great information and formulas that will made available on the KTB website within the next 2 months.

Ongoing

AISD Recycling – 250 recycle bins have been purchased for ACS and AISD schools. Staff also purchased stickers with the KAB logo and the source of the funding, Walmart, to place on the bins. Staff plans to distribute the bins on August 11, 2016 so they will have them for the 2016-2017 school year.

Yard and Business of the Month – The yard is 6 Harvest Glen, Angleton, TX 77515. The business is 301 Cannan Drive, Angleton, TX 77515.

Lend-A-Bin Recycling Program and Trash/Recycle Centers (TRC's) – No future loans known

Facebook and Twitter – KAB routinely posts recycling, litter prevention and educational facts.

RECREATION CENTER

- Erin Bowers resigned to take similar, better paying position with the Pearland Recreation Center

- June saw 14,676 people through the doors of the Recreation Center and brings our YTD admittance to 53,410.
