2. **KAB Members Present** : Dorothy Wilbeck, Andrea Demopoulos-Coats, Tracy Delesandri, Brandei Goolsby, John Wright
Council liaison present : Williams Tigner
Staff Present: Dena Cline, Martha Eighme, Will Blackstock, Scott Albert
Visitors Present : Clint Kainer and Dana Cote, landscape architects with TxDOT
3. **Visitor comments:** None
4. **Meet with TxDOT officials to discuss 2016 GCAA project** - Mr. Cote gave background on the Governor’s Community Achievement Award (with \$180,000 in-kind landscaping work) and the timetable to get projects started. Ideas were shared for the award, including beautifying the medians on Loop 274, beautifying the Heart (previous GCAA prize), repainting and landscaping overpasses (particularly the intersection of Highway 288 and Highway 35), trees for downtown right-of-ways, and a gateway sign off of Highway 288. Scott Albert asked the TxDOT representatives about what would be the best “bang for our buck.” Mr. Cote said that medians would make a big impact, and that a plan could be developed to beautify them in parts (because it would take more than the \$180,000 award to do the entire stretch of medians on Loop 274). Mr. Cote and Mr. Kainer said they would draw up some alternatives with pricing to bring back to the group.
5. **Adjourn:** The meeting was adjourned at 12:30 pm
