Show Hours

Saturday 9am–5pm

Sunday 11am–4pm

Gates open 1 hour prior to Show for Vendors

*Set-up hours

Friday 12pm – 7pm

◆What are the booth requirements?◆

BACKDROPS: While not mandatory, a backdrop will visually separate your booth from the booths behind and beside you. In all buildings and outdoor areas, tent structures are permitted and are ideal for hanging signage, decor and drapery. We understand that product and display needs vary and invite you to be creative and make your booth unique and inviting. Remember, it is a proven fact that a quality booth and quality products in a quality show result in more money in your pocket! Please see photos on Market Days page of the City of Angleton website for examples of booth set ups.

BOOTH SIGN: Please display a booth sign/banner that bears your name and is large enough to be seen from the aisle.

CORNERS: Due to the number of requests for corners, we cannot promise corner placement. If you need a corner you can indicate this on your application. However, this does not ensure that we will be able to grant your request.

TABLES: Please cover tables to the floor.

PROMPTNESS: Your booth should be completely ready at Show opening. No early tear down. Gates open for Vendors one hour prior to show each day.

◆How is electricity handled?◆

Electricity is available in the buildings and covered pavilion areas. There is no fee for electricity. Please indicate on your application if you require electricity.
