## DISCLAIMER AND TRANSPARENCY IN REPORTING

\*Documented Traffic Violations account only the number of violations in which a written warning or traffic citation was issued. Reasons for less traffic violations listed than traffic encounters includes, but is not limited too the following: An arrest was made for a higher charge and no warning/citation issued, verbal warning issued, a class C misdemeanor other than a traffic violation citation was issued (such as possession of drug paraphernalia), and/or a citation was issued only for the most serious violation with no warning for other violations issued.

\*\*Other Class C Violations account for all class C Misdemeanor warnings/citations issued which may or may not have risen from a traffic violation, and may have been issued in lieu of a traffic violation.

(†)Busiest Day and Busiest Time is calculated based on mostly reactive calls for service (but includes traffic encounters), and excludes other types of calls for service including, but not limited too the following: ACO Carcass, BOLO, Business Check, Close Patrol, Delayed, Follow Up, Jail Check (TCO), Jail Duty (Officer), Only Ang Fire Department, Private Tow, Repossession, Ride Along, Sick Call, Street Department, Weather, and Water Department.

All information obtained on the date the report was prepared, and contains the information available from the police departments RMS and CAD systems up to that date. All numbers based on information obtained from RMS and CAD. All numbers have a margin of error of approximatley +/- 2%; however, accuracy is the number one priority in preparing this report. DPS state standards allows for a margin of error of 4% for NIBRS. The information in this report is not meant to replace official UCR/NIBRS reporting.

(‡)Crime rate calculated based upon a population rate of 19,660 which was the population for the City of Angleton used by the FBI 2019 UCR crime statistics (which consist mostly of crimes against persons and property) listed in Table 8. 2019 crime statistics from other cities also taken from FBI Table 8 which is averaged by month (<https://ucr.fbi.gov/crime-in-the-u.s/2019/crime-in-the-u.s.-2019/tables/table-8/table-8-state-cuts/texas.xls>).
