

## ***Individual Assistance - State of Texas Assessment Tool***

The **Individual Assistance - State of Texas Assessment Tool (iSTAT)** helps the state identify damages to private homes and businesses and to assist emergency management officials assess the damages that occurred. This data will determine if the state of Texas and our communities meet federal thresholds for disaster assistance.

The survey, available in both English and Spanish, can be accessed by visiting: [damage.tdem.texas.gov](https://damage.tdem.texas.gov). Reporting damage to the Texas Division of Emergency Management is a voluntary activity, is not a substitute for reporting damage to an insurance agency and does not guarantee disaster relief assistance.

**TDEM iSTAT**

<https://damage.tdem.texas.gov/>

### **iSTAT Steps:**

1. Select "Submit Hurricane Nicholas Damages"
2. Enter Contact, Location, Impact, and Residential damage information.
3. Include photos of damages (showing scope and scale of damages)
4. Submit Survey

Local government officials should [access their TDEM Portal](#) to monitor iSTAT submissions in their jurisdiction.

1. Log in with the credentials you were provided by TDEM
2. Select 'Recovery Data' to view your dashboards and download data.

Please contact your [TDEM District Coordinator or Recovery Coordinator](#) with any question.
