

Community Booth Information
Saturday, December 3, 2022 6:00 pm – 9:00 pm

Dear All,

We are so excited to start the planning process of the Heart of Christmas event. The previous year's layout will be duplicated as much as possible with vendor requests, but there is a possibility of a booth position change. Registration for the event can be done at <https://secure.rec1.com/TX/angleton-tx/catalog> under the Heart of Christmas tab. Registration will be open until Tuesday, November 15th at 11:59PM or until all spots are filled.

Booth spaces are 10' x 10' and will be spaced according to the number of booth participants around the courthouse lawn and street. Do not bring tents bigger than 10' x 10' as they will not be allowed. We will do our best to provide electricity to all participants who have requested a power source. You will need to bring tables, chairs, marked extension cords, and everything needed for your organization's booth. The City of Angleton will only be providing a marked space. We encourage all booths to be decorated with holiday lights and décor! The City of Angleton requests gloves are used to pass out goodies instead of giving out napkins to each guest, as these often end up on the ground.

Booth set up is strictly 1PM to 5PM so please do not plan to set up earlier. Due to road closures, vendors can enter off of East Live Oak St. for set up. A few days before the event a vendor booth map will be emailed out to each organization. There will also be signs at each vendor spot the day of. Parking for all attending will be located at the Brazoria County Tax Office.

Please note that nothing can be sold at this event. Donation boxes are acceptable. Please do not solicit for your organization. This event is intended as an evening to give back to the community. We ask that your organization not start giveaways until after the Veterans Park lighting scheduled for 6PM. Also, please do not start taking down booth spaces before the completion of the event at 9PM.

If you have any questions or concerns, please contact Courtney Landers at 979-849-4364, ext. 2141 or clanders@angleton.tx.us for more information. We look forward to kicking off the holiday season with you soon!

Thank you,

Courtney Landers
